1. Background

The parties entered into the Agreement for Licensor to provide Licensee with a subscription to its claims-analytics software platform and associated support services. The parties now wish to expand the scope of the subscription and adjust certain commercial terms, as set forth below.

2. Amendment to Section 5 (Subscription Fees)

Section 5.1 of the Agreement is deleted in its entirety and replaced with the following:

"5.1 Licensee shall pay Licensor an annual subscription fee of $186,000.00, payable in equal quarterly installments of $46,500.00 in advance, covering up to 250 named users. Additional named users beyond 250 may be added at a rate of $620.00 per user per year, pro-rated for the remainder of the then-current subscription year."

3. Amendment to Exhibit A (Support Tier)

The parties agree that, effective as of the Effective Date, Licensee's support tier is upgraded from "Standard Support" to "Premium Support," which includes 24x7 coverage for Severity 1 incidents and a target initial response time of twenty (20) minutes, replacing the prior response time of four (4) hours.

4. New Section 5.4 (True-Up Reporting)

A new Section 5.4 is added to the Agreement as follows: "Licensor shall provide Licensee with a quarterly true-up report identifying actual named-user counts, and any additional fees owed for users in excess of the included 250 shall be invoiced within thirty (30) days following each quarter-end."
